

**DID CAMHS EVER LIAISE WITH YOUR SCHOOL WHILST YOU WERE USING THEIR SERVICES?**

Q And did CAMHS ever liaise with your school when you were seeking their services?

A They didn't automatically. At one point because I think it started to get sort of to interrupt my exams a little bit and my preparation for my A level exams, I had been in contact with one of my pastoral people at school I think, and she had then, I had given her my sort of number and stuff, her number even, and she spoke to my CPN I think once or twice and they did have sort of a few letters that went to my GP and that but CAMHS didn't actively go and sort of contact school it had to be done with me saying you know you can go and talk to so-and-so. Yeah.
